

Swivel & Gliding Recliner Nursing Chairs

Quax

The Quax Swivel & Gliding Recliner is designed to support you during those quiet, intimate moments with your baby. With its **gentle gliding motion**, smooth **360° swivel function** and a backrest featuring a **fold-out footrest**, this chair brings ease and comfort to your everyday routine with your little one. It is available in both a **manual and an electric recliner version**, allowing you to adjust your position effortlessly and tailor the experience to your needs.

Wrapped in a **soft**, tactile fabric and generously padded for lasting comfort, it's the perfect place to feed, cuddle or simply take a moment for yourself.

Every movement feels natural and effortless, allowing you to fully immerse in the moment with your baby close by, surrounded by a sense of calm and security.

Whether you start the day with a peaceful feeding session or end it with a soothing cuddle before bedtime, this chair adapts seamlessly to the rhythm of family life.

A serene and reassuring presence in any modern nursery. *Created for a life of softness, where comfort, connection and style flow together effortlessly, turning every ritual into a tender moment of rest.*
